

Products Feature&Application

No spot, no shadow, soft light

The emitting angle can reach to 180°

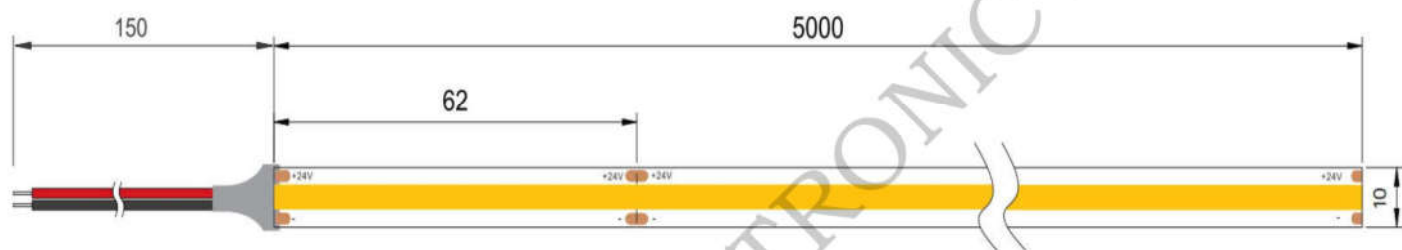

Interior lighting

Customized lighting design

Decorative light and Background

Architectural lighting

Physical Dimensions

Optical and Electrical Data

Chip type	COB	Chip QTY	512leds/m			
Product Life	>50,000Hrs	CCT	2700k	3000K	4000K	6000K
CRI	>90	Lum Flux	1000lm/m	1100lm/m	1200lm/m	1300lm/m
Beam Angle	180°	Cutttable length	62mm			
Input Voltage	DC24V	Power Consumption	10.0W/M			

Others

Waterproof Protection	IP21 Non-waterproof	Drive Mode	Constant Voltage			
Operation Temperature	-20°C to +50°C	Operation Humidity	15-90%RH			
PCB Size	5000m*10mm*2.5mm	Packaging	5m/Roll
